SUMMARY

B2B SaaS sales professional with 4 years of full-cycle experience across the US, EMEA and APAC, from outbound and discovery to demo, negotiation and close. Consistently improved quota attainment through better discovery (58% to 92% at BYJU'S, 78% to 108% at 99acres), closed 17 enterprise deals ($58K) in 3 months and helped a 3-person founding team close INR 2.5 Cr (~$295K) in 4 months. Runs weekly A/B tests on outreach (+35% qualified meetings) and turns buyer feedback into positioning and product requirements.

EXPERIENCE

Freelance (Self-Employed) | India, Remote | Jun 2025 - Present

Business Development Manager, B2B Fleet-Telematics Marketplace (client confidential under NDA) | *Apr 2026 - Present*

- Founding team (1 of 3): ran partner discovery calls and demos with 50+ system integrators and fed their needs into the onboarding flow and offer.
- Helped the team close INR 2.5 Cr (~$295K) in 4 months, including one INR 60 lakh (~$70K) deal; tracked pipeline, deal stages and forecasts in HubSpot.
- Reviewed customer complaints and support tickets, found gaps in search, trust, checkout and warranty tracking, and wrote a PRD and clickable prototype that the UI team used for the final design.
- Aligned ordering, FASTag and payment workflows with hardware and banking partners.

Sales Development Representative, US B2B SaaS client (subscription, $2.4K-$4.8K ACV) | *Jun 2025 - Mar 2026*

- Booked 15+ qualified meetings a month with VP Sales, directors, CMOs and C-level buyers across 2,500+ monthly touches (phone, email, LinkedIn).
- Ran weekly A/B tests on messaging and CTAs, lifting qualified meetings 35% and reply rate 6%; learned how segments respond to subscription vs usage-based pricing.
- Managed leads, sequences and pipeline in Zoho CRM; prospected with Apollo.io and LinkedIn Sales Navigator.

Business Development Manager, Mobility Foresights (Market Research) | Remote | Oct 2024 - Jan 2025

- Closed 17 enterprise deals ($58K) and built a $324.6K pipeline across the US, EMEA and APAC on a 25-45 day cycle ($2.5K-$7.5K deals); reached 98% of quota through renewals and expansion.
- Ran consultative discovery with senior and C-level stakeholders and managed a Fortune 1000 portfolio (Sony, Samsung, Hitachi, Siemens).

Assistant Manager, Corporate Sales, 99acres.com (Info Edge) | Nov 2023 - Jun 2024

- Restructured discovery calls to match product packages to each customer's problem, lifting quarterly quota attainment from 78% to 108%.
- Won 30+ new B2B customers from scratch through outbound, field visits and follow-ups with business owners, marketing and operations heads; owned the full cycle from outbound to close. Tracked pipeline and forecasts in HubSpot.

Business Development Associate, BYJU'S | Nov 2022 - Aug 2023

- Ran 10-12 discovery and demo sessions a week, raising quarterly quota attainment from 58% to 92% and generating INR 29 lakh in revenue.
- Made 150+ outbound calls a day and booked 20-25 meetings a week; turned recurring objections into a playbook used to train teammates.
