B2B SaaS Business Development | Consultative Selling | Enterprise and Mid-Market
Vapi, India | +91 93270 56201 | pariharjayesh1092@gmail.com | linkedin.com/in/jayeshparihar

SUMMARY

Consultative B2B sales professional with 3+ years selling SaaS, PropTech, EdTech and research products to business owners, marketing heads and C-level buyers across India, the US, EMEA and APAC. Consistently improved quota attainment (58% to 92%, 78% to 108%) by restructuring discovery and matching products to the buyer's real problem. Recently worked on a B2B marketplace team, onboarding 50+ partners and turning customer feedback into product requirements.

KEY ACHIEVEMENTS

- Quota: raised attainment from 58% to 92% (BYJU'S) and 78% to 108% (99acres); reached 98% of quota at Mobility Foresights.
- Pipeline and deals: closed 17 enterprise deals ($58K) and built a $324.6K pipeline; won 30+ new B2B customers from scratch.
- Marketplace: onboarded 50+ system integrators and helped close an INR 60 lakh (~$70K) deal as part of a 3-person team.

EXPERIENCE

Uffizio, Business Development Executive (Marketplace Team) | India, Remote | Apr 2026 - Present
- Ran partner discovery calls and demos with 50+ telematics system integrators to onboard them as sellers on a new B2B fleet marketplace.
- Helped the 3-person team close an INR 60 lakh (~$70K) deal; managed pipeline, deal stages and forecasts in HubSpot.
- Turned recurring customer and partner objections into a PRD (12 prioritized requirements) and a clickable prototype that the UI team used as the reference for the final design.
- Worked with the Bosch backend team and banking partners on ordering, FASTag and payment workflows, guiding ground-level requirements from the Uffizio side.

Business Development Manager, Mobility Foresights (Market Research) | Remote | Oct 2024 - Jan 2025
- Closed 17 enterprise deals ($58K) and built a $324.6K pipeline with senior stakeholders across the US, EMEA and APAC (deal size $2.5K-$7.5K, 25-45 day cycle).
- Reached 98% of quota through renewals and expansion; managed a Fortune 1000 portfolio (Sony, Samsung, Hitachi, Siemens) by researching accounts and multi-threading into C-level stakeholders.
- Ran consultative discovery to understand each account's research needs, decision criteria and renewal triggers, then matched the right report and positioning.

Assistant Manager, Corporate Sales, 99acres.com (Info Edge) | Nov 2023 - Jun 2024
- Restructured discovery calls to match product packages to each customer's business problem, lifting quarterly quota attainment from 78% to 108%.
- Won 30+ new B2B customers from scratch (deal size INR 35K-2.5L, 15-20 day cycle) through outbound, field visits and negotiation, owning the full cycle from prospecting to close.
- Tracked pipeline, leads and forecasts in HubSpot.

Business Development Associate, BYJU'S | Nov 2022 - Aug 2023
- Ran 10-12 discovery and demo sessions a week and raised quarterly quota attainment from 58% to 92%; generated INR 29 lakh in closed revenue.
- Made 150+ outbound calls daily and booked 20-25 meetings a week; turned recurring objections into a team playbook used to train teammates.
