SUMMARY

B2B sales professional with 3+ years of outbound experience who learned sales on the phones: 150+ cold calls a day at BYJU'S, 30+ new logos at 99acres.com, and now **120+ dials a day to U.S. SMB and mid-market buyers**, booking **45–50+ meetings a month**. Comfortable in unstructured, 0-to-1 environments: built own ICP lists, ran discovery, and tracked every number in CRM. Looking for a long-term B2B sales role where I can own pipeline generation and grow into closing.
